

# NSW Government Guidelines for Sydney Opera House

## OVERVIEW

The guidelines consider types of projections to ensure this international landmark is used appropriately and in line with community expectations.

The shells will be lit for significant artistic, cultural and community initiatives, as well as to promote causes, and celebrate or commemorate events of NSW, Australian or international importance.

Under the new guidelines, the following requests **will be acceptable**:

- Related to a major cultural or community cause, initiative or state event, of national or international significance.
- Have high production and artistic values, and significant aesthetic merit.
- Are consistent with the Opera House's role in the community.
- Are not commercial or detrimental to the building's cultural heritage significance.

Under the new guidelines, the following requests **will not be acceptable**:

- Logos or emblems.
- Text or slogans.
- Corporate identities.
- National flags, except the Australian, Aboriginal and Torres Strait Islander flags in limited circumstances.
