Selection of Artisan Pastries

This selection features several individual pastries of varying sizes. Each pastry offers distinct textures, from crisp and flaky to soft and tender, yielding a gentle chew or crumbly bite when eaten. A noticeable buttery aroma is present. Taste profile is sweet.

Local Honey & Pepperberry Roasted Macadamias

The macadamias are crunchy and firm. They are roasted with local honey and pepperberry, providing a noticeable aroma. When eaten, they are brittle. Taste profile is sweet, slightly spicy.

Saltbush & lemon marinated olives

Firm, whole olives, which may be green or black, are presented after being immersed in a marinade. They carry a noticeable citrus and herbal aroma, and when bitten, the soft flesh yields easily around a hard pit. Taste profile is salty, sour, and tangy.

Port Lincoln Tuna, Taramasalata, Sea Purslane (A)

The Port Lincoln tuna is firm and flaky. It is served alongside a creamy taramasalata, which is smooth and dense, and fresh sea purslane, which offers a slight crunch. There is a noticeable fish aroma. Taste profile is salty, savory.

Wallaby Kransky, Bush Tomato Romesco, Guindillas

The Wallaby Kransky is a firm, meaty sausage, served with a thick, reddish bush tomato romesco sauce and several bright green guindillas peppers. When eaten, the sausage is chewy, and the romesco provides a smooth contrast. There is a noticeable savoury aroma with hints of tang. Taste profile is umami, sour, and slightly spicy.

Compressed Watermelon, Cucumber, Feta & Finger Lime

Compressed watermelon and cucumber cubes are mixed with crumbles of feta cheese and small vesicles of finger lime. The watermelon and cucumber are firm and slightly dense from compression, yielding a crisp bite. A light citrus aroma is noticeable. It is served chilled. Taste profile is tangy, salty, and slightly sweet.

Macadamia Hummus with Native Dukkah & Crudites

A creamy, smooth macadamia hummus is served in a portion suitable for an appetizer. It is topped with a crunchy native dukkah, providing textural contrast. Accompanying the hummus are crisp, fresh raw vegetables for dipping. When eaten, the hummus feels yielding and the dukkah offers a noticeable, gentle aroma of roasted spices. Taste profile is savory and earthy.

Kangaroo Pastrami, Pickled Vegetables, Mustard

This dish features thin slices of cured kangaroo meat served with crisp, tangy pickled vegetables and a dollop of mustard. When eaten, the pastrami feels lean and slightly chewy, complemented by the crunchy vegetables, and a noticeable tangy aroma is present. Taste profile is salty, sour, and umami.

Fish Wing Terrine, Pickled Fennel & Aniseed Myrtle (A)

This dish presents a firm, dense fish wing terrine, pressed and molded. It is assembled with layers that hold together, offering a flaky texture when cut. The terrine is served alongside crisp pickled fennel and garnished with aniseed myrtle, contributing a noticeable anise aroma and a slight sour aroma. Taste profile is savory, tangy, and subtly herbal.

Smoked Barramundi Rillettes, Guindillas & Sea Salt Crisps (A)

Smoked barramundi rillettes are a soft, flaky spread, intended to be scooped with thin, brittle sea salt crisps. They are served with firm, slightly tangy guindillas and carry a noticeable smoky aroma. Taste profile is salty, umami, and slightly sour.

Cashew Ricotta, Grapes, Vin Cotto, Bitter Leaves

This dish features a soft, creamy cashew ricotta base. It is topped with firm grapes and bitter leaves, with a sweet-sour vin cotto lightly drizzled over. When eaten, it offers a contrast between the smooth ricotta and the slight crunch of the grapes and leaves. Taste profile is sweet, sour, and bitter.

Cured Ora King Salmon, Salt Bush, Cucumber, Lavosh (I)

This dish features thinly sliced, cured salmon alongside crisp lavosh crackers and fresh cucumber. The salmon is firm yet flaky, offering a smooth texture that contrasts with the brittle lavosh. It carries a noticeable aroma of fresh seafood with subtle herbal notes. Taste profile is salty, fresh, and slightly tangy.

Speciality Selections

Finger Sandwiches

Small, rectangular finger sandwiches are presented alongside potato crisps. The sandwiches consist of soft bread with various fillings, offering a yielding texture when bitten. The accompanying crisps are crisp and snap easily. Taste profile is mild and savoury.

Egg Salad, Native Curry Mayo

This dish is a portion of chopped hard-boiled eggs blended with a thick, creamy native curry mayonnaise. It has a soft texture that spreads easily when eaten, with a noticeable curry aroma. Taste profile is savory and mildly spicy.

Kangaroo Pastrami, Swiss Cheese, Pickles, Butter Lettuce

This item features slices of firm, slightly chewy kangaroo pastrami layered with smooth Swiss cheese, crisp pickles, and soft butter lettuce. When eaten, it offers a combination of tender, crisp, and yielding textures. It presents a noticeable savory and tangy aroma. Taste profile is savory, tangy, and fresh.

Prawn, avocado, sea celery & finger lime (A)

The dish combines firm prawns with soft, creamy avocado. Crisp sea celery provides a textural contrast, and finger lime pearls offer a bright, acidic burst when bitten. It has a light, fresh aroma with noticeable citrus notes. Taste profile is fresh, tangy, and slightly salty.

Australian Cheese Plate

A selection of three distinct Australian cheeses is presented alongside a fruit chutney and crispy lavosh. The cheeses include soft, creamy Brie, firm Cheddar, and crumbly Blue, offering varied textures. An Ooray plum chutney, with a sticky consistency, accompanies the cheeses, and the lavosh provides a brittle crunch when eaten. There is a noticeable cheesy aroma, subtly complemented by the fruity scent of the chutney. Taste profile is salty, umami, and sweet.

Sweet

Lemon Myrtle Chia, Coconut, Mango

This layered dessert is typically served in a glass or bowl. It features a soft, gelatinous lemon myrtle chia pudding base, topped with a creamy coconut layer and fresh mango pieces arranged on top, offering a slightly fibrous texture when eaten. A gentle citrus aroma is noticeable from the lemon myrtle. Taste profile is tangy, sweet, and creamy.
