

Utzon Music

Åkervinda

Spellbound

1 MAR 2026

ARTIST NOTE

Jazz singers at heart the four members of vocal quartet Åkervinda share a deep love of folk music and give new life to Scandinavian folk tunes through their original and modern interpretations. The music flows between danceable passages and meditative moments, always grounded in the stories and emotions of the folk tradition. Through close harmonies and expressive voices, Åkervinda explores the mysticism, beauty, and rawness of Nordic folk songs.
